#### UNAUDITED INTERIM FINANCIAL REPORT FOR THE FOURTH FINANCIAL QUARTER ENDED 30 NOVEMBER 2018

# PART (B): ADDITIONAL INFORMATION PURSUANT TO APPENDIX 9B OF BURSA SECURITIES MAIN MARKET LISTING REQUIREMENTS

#### 1. Review of Performance

#### **Group Performance**

For the current financial quarter and financial year ended 30 November 2018, the Group posted higher external revenue with an increase of 77.1% during the quarter as compared to preceding year corresponding quarter and an increase of 52.3% on a year to date basis. TIS segment registered higher revenue for the current quarter whilst the increase in revenue for current financial year mainly contributed by the ICT segment. In tandem with the increase in revenue and higher profit contribution, the Group reported a profit after tax of RM1.48 million for the current quarter, as compared to a loss after tax of RM1.15 million reported in the preceding year corresponding quarter.

For the current financial year ended 30 November 2018, the Group posted profit after tax of RM1.04 million as compared to loss after tax of RM2.97 million reported in preceding financial year.

The performance of the respective segment of the Group is summarized as follows:-

#### ICT Segment

This segment delivered a total revenue of RM8.60 million during the current quarter and RM39.46 million for the current financial year, which showed substantial improvement as compared to RM5.03 million and RM19.95 million respectively recorded in preceding year corresponding quarter and corresponding year. Overall, ICT segment posted a higher profit after tax both during the current quarter and year to date. The overall improved performance was attributable to higher sales volume of new car models fitted with our Telematics products and corresponding increase in sales of automotive related accessories.

#### **TIS Segment**

This segment achieved a total revenue of RM7.22 million and RM10.93 million respectively during the current quarter and current financial year as compared to RM5.38 million and RM12.77 million respectively reported in preceding year corresponding quarter and year to date. The increase in revenue during the current quarter was mainly due to higher turnover recognized from civil infrastructure project works currently in force. Despite recorded a lower revenue during current year, this segment recorded an overall improvement in profit after tax during the current year of approximately RM656,000 as compared to profit after tax of approximately RM96,000 reported in preceding year. This was attributable to close monitoring and management of the various project costs.

#### 1. Review of Performance (Cont'd)

#### **Property Development Segment**

The loss reported in the current financial year was due to the absence of new sale of property and the impairment on trade receivables. This segment has been discontinued following the completion of the disposal of the Company's investments in MASB, as disclosed in paragraph 12(v) on page 10 of this Interim Financial Report.

#### Others Segment

The investment holding company reported higher profit after tax during the current quarter and financial year mainly due to higher management fees income from subsidiaries and the gain on disposal of investment in MASB.

# 2. Material Changes in the Profit After Tax for the Quarter Reported as Compared with the Immediate Preceding Quarter.

The Group's performance for the current financial quarter and the immediate preceding quarter are summarized as follows:-

	Current	Preceding	
	Quarter	Quarter	
	30/11/2018	31/8/2018	Changes
	RM'000	RM'000	%
Total revenue	16,117	12,031	+33.9%
Share of results of associates	(6)	(40)	<+100%
Profit/(Loss) for the financial year	1,476	325	>+100%

For the current financial quarter, the Group reported higher revenue of RM16.12 million as compared to the immediate preceding quarter ended 31 August 2018 of RM12.03 million. The 33.9% increase was mainly due to higher turnover recognized from civil infrastructure project works completed during the quarter. In addition to the gain on disposal of MASB of RM992,000 included in the current quarter's results, the Group achieved higher profit before and after tax mainly attributable to positive contributions from both TIS and ICT segments.

#### 3. Commentary on the Group's Prospects

Moving forward, the Group will continue to focus on its existing income generating businesses, i.e. the ICT and TIS segments where efforts and resources will be placed on offering new services to existing and new customers. The Group will also pursue opportunities to secure new contracts and expand its business locally and explore selective overseas opportunity as a measure to strengthen the Group's long term revenue and profitability.

Therefore, the Directors are cautiously optimistic that the Group's performance shall remain sustainable in the next financial year, notwithstanding the current subdue economic environment.
