UNAUDITED INTERIM FINANCIAL REPORT FOR THE FIRST QUARTER ENDED 28 FEBRUARY 2014

(B) EXPLANATORY NOTES PURSUANT TO MAIN MARKET LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

1. Review of Performance

For the first financial quarter ended 28 February 2014, the Group recorded a turnover of RM6.525 million and loss before tax of RM0.502 million, as compared to turnover of RM11.494 million and profit before tax of RM0.968 million achieved in the preceding year corresponding quarter. The overall decrease in performance was mainly attributed to the drop in the supply of certain Telematics products from the ICT segment.

The performance of the respective segment of the Group is summarized as follows:-

ICT Segment

ICT segment recorded lower revenue and profit before tax during the quarter under review as compared to preceding year corresponding quarter. This was mainly due to the decrease in the supply of certain Telematics products to existing customers by a subsidiary.

TIS Segment

For the current quarter under review, the loss posted is within expectation due to lower revenue recorded by the subsidiary engaged in the installation of fiber optic cables and civil works which contracts are mostly still in the early stages of progress billings.

Others Segment

Loss registered during the current quarter was mainly attributed to the borrowing costs and outgoing expenses incurred on the maintenance of the Glenmarie's building.

2. Material Changes in the Profit Before Tax for the Quarter Reported on as Compared with the Immediate Preceding Quarter.

The Group reported a loss before tax of RM0.502 million for the current quarter under review as compared to loss before tax of RM0.88 million reported in the immediate preceding quarter. Higher loss was reported in the current quarter due mainly to the decrease in sales and profit contribution from the supply of certain Telematics products.

3. Prospects for the Current Financial Year

The management remains cautiously optimistic of the Group's business outlook in this current year due to the challenging and competitive business environment ahead. However, the Group has put in place strategic plans and control measures to face these challenges with initiatives continuing to focus on strengthening the Group's core business, broadening customer bases and tapping into new market segments via introduction of new products and venturing into new business segments.

Barring any unforeseen circumstances, the Board remains optimistic towards the Group's performance for this financial year.

(Incorporated in Malaysia)

4. Variances of Actual Profit from Forecast Profit

Not applicable.

5. Taxation

The taxation for the Group for the financial quarter under review was as follows:-

	Current Quarter RM'000	Cumulative Current Period RM'000
Tax expense:- Based on results for the period	-	-
Transfer to deferred tax liabilities	(36)	(36)
	(36)	(36)

There is no income tax charge during the current financial period due to tax loss position. The deferred tax expense recognized during the current period was relating to origination of temporary differences between the carrying amount of property, plant and equipment and its tax base.
